CERTIFICATE UNDER 37 C.F.R. § 3.73(b)

The University of South Florida certifies that it is the owner of the entire right, title, and interest in the patent application identified above by virtue of an assignment to the University of South Florida dated January 28, 2000 by assignors Denise R. Cooper and Niketa A. Patel, recorded in the United States Patent and Trademark Office at Reel/Frame 010626/0666 on March 23, 2000.

The undersigned has reviewed all the documents in the chain of title of the patent application identified above and, to the best of undersigned's knowledge and belief, title is in the assignee identified above.

The undersigned (whose title is supplied below) is empowered to act on behalf of the assignee.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

THE UNIVERSITY OF SOUTH FLORIDA
